Dear Ms. Burkhardt:

This letter will serve as notice that the discrepancies brought to our attention through the FEC are being rectified. Firstly, we are going to redesignate our contribution of \$5,000.00 made to Senator Robert Torricelli on February 23, 1999. The April Quarterly Report stated that the designation was made for the Primary Election, however, Operating Engineers Local 68 also contributed \$5,000.00 for the Primary Election. Therefore we are redesignating our contribution to the General Election. At your suggestion, our next report will reflect this change. Additionally, enclosed is a letter to Senator Torricelli stating the change.

Please be advised that we are correcting our July Quarterly Report regarding 'Lines 21(b) and 21(c), Column B of the Detailed Summary Page.' These changes will be reflected in our next report due in January.

Thank you for your attention to this matter.

Sincerely,

  
Joseph Whittles  
Treasurer
